

Town of Baileys Harbor
Ordinance #05-2017
A Tower Siting Ordinance

The Town of Baileys Harbor does hereby ordain as follows:

Section 1: Title/Purpose

This ordinance is for the purpose of regulating the siting, construction and substantial modification of communications towers and associated equipment structures within the Town of Baileys Harbor.

The purpose of this ordinance is to regulate towers as necessary to protect public health and safety. In the context, all applicable regulations of various state and federal agencies must be respected, including those of the FCC and the FAA.

Section 2: Definitions

Within this ordinance, the term "tower" is defined to include any associated equipment structures.

Section 3: Permits

The construction of a new tower or the substantial modification of an existing tower shall require a building permit to be issued by the Town of Baileys Harbor.

Permit applications shall contain the information specified in Wisconsin State Statute 66.0404 and shall be reviewed and approved or denied in accordance with the specifications of that statute. Permit fees are \$100 for substantial modification of a tower.

This ordinance shall take effect upon passage and publication as provided by law.
